Gratitude Journal

Thank you for downloading the Gratitude Journal from Sage Grayson Coaching at http://sagegrayson.com. This gratitude practice will help you focus on the big and small blessings that are all around you.

Instructions

• Print as many gratitude journal sheets as you want. You can decide whether you want to write in your journal daily (my recommendation), weekly, or whenever you feel like it.
• Add your pages to a binder or folder to keep them organized. You’ll want to look back at your old entries to prolong the good feelings and as a record of the things that made you happy during a particular time of your life.
• Start with the Morning Gratitude Prayer section and write 10 things you’re grateful for when you wake up.
• Next, write the names of the people who made you happy today. Perhaps your partner gave you a compliment or the barista at the coffee shop remembered your usual order.
• Then, think about the challenges you’re facing and find one good thing you’re learning from each.
• Finally, end your day by meditating on the best moment of your day. Sweet dreams!
